Re: Pachella v. Arivo Acceptance, LLC et al., 7:23-cv-1090 (PMH)

Dear Judge Halpern:

This firm represents the Plaintiff. I am respectfully requesting the June 13, 2024, 12:00 p.m., hearing on Defendants' July 31, 2023 motion be adjourned. I am making this request because this week is my daughter's kindergarten graduation, my out-of-state family is in town for this and the plan was to spend tomorrow with them.

This is the first request to adjourn the hearing which, if granted, would not affect any other dates or deadlines. I fully recognize this is a personal request, as opposed to the traditional adjournment request for scheduling conflicts and will make myself available if an adjournment is not possible.

Finally, I contacted Defense counsel earlier today for their consent on this request but have not heard back from them, which is understandable considering the quick timing. I, however, wanted to submit this request sooner than later to give the Court as much advance notice.

I appreciate the Court's consideration of this request.

Respectfully submitted,
